

CCL Ke Lal & CCL Ki Laddi

Running since 2012, the flagship program of CCL provides opportunity to the talented, diligent and meritorious children from underprivileged background to enter top engineering colleges of India. Each year, 40 students (20 girls & 20 boys) are selected on merit and provided free lodging, boarding, +2 schooling, and coaching for IIT and other engineering entrance examinations from IITian officers of CCL. The alumni are placed in premier corporates of the country and presenting turn around stories inspiring other village children.
